Your Generosity Goes a Long Way

2014 Fund Raiser Luncheon's highlights included the performance of Lumi's Latin band. Their vibrating music was special in that they dedicated some of the songs to their former boss, Myrta Cuadra Lash, an Honoree.

As a parent of an individual with special needs and a person committed to international causes, Duncan Whiteside brought in a resume that made everyone say wow!

As a long time administrator in the Developmental Disability field Arthur Palevsky's staff and friends were delighted about his well deserved recognition.

Gerald Huber's unique contribution to Person Centered initiatives was stressed

Participation by a large group of staff and friends of Sinergia was a welcome addition to our annual gathering.
