Sincere Gratitude

At our annual luncheon on 9/21/2011 we had the privilege to honor people who played key roles in moving the service delivery system to a community-based model. Former OMRDD commissioner Arthur Y. Webb, an outstanding leader and former Associate Commissioner, Edward Jennings, a leader with great people skills, shared their extensive experiences. The awards were presented by our Board member, Edward Hart, and Willie Mae Goodman, a parent and life long advocate for people with special needs.

Everyone present appreciated the contributions of James Moran, Stanley Silverstein and Lorenzo Brown.
